

Exhaust Hoses Accessories

	Description	Ø, mm	Part no.
1	Connector, galvanized steel	150-125	20344353
1	Connector, galvanized steel	125-100	20344354
1	Connector, galvanized steel	100-75	20342483
2	Bend 90°, galvanized steel	75	20344590
2	Bend 90°, galvanized steel	100	20344591
2	Bend 90°, galvanized steel	125	20344592
2	Bend 90°, galvanized steel	150	20344593
3	Rubber cover with hose clip, pair	75	20342489
3	Rubber cover with hose clip, pair	100	20342490
3	Rubber cover with hose clip, pair	125	20342712
3	Rubber cover with hose clip, pair	150	20331552
3	Rubber cover with hose clip, pair	200	20373838
4	Joint piece, galvanized steel, with hose clamp & rubber cover	75	20373286
4	Joint piece, galvanized steel, with hose clamp & rubber cover	100	20373287
4	Joint piece, galvanized steel, with hose clamp & rubber cover	125	20373288
4	Joint piece, galvanized steel, with hose clamp & rubber cover	150	20373289
4	Joint piece, galvanized steel, with hose clamp & rubber cover	200	20373290
5	Quick coupling, galvanized steel, male	100	20947710
5	Quick coupling, galvanized steel, male	125	20947810
5	Quick coupling, galvanized steel, male	150	20947910
5	Quick coupling, galvanized steel, male	200	20948010
6	Quick coupling, galvanized steel, female	100	20948110
6	Quick coupling, galvanized steel, female	125	20948210
6	Quick coupling, galvanized steel, female	150	20948310
6	Quick coupling, galvanized steel, female	200	20948410
7	Hose suspension	100-150	20374530
7	Hose suspension	75	20373615
7	Hose suspension	100	20373607
7	Hose suspension	125	20373608
7	Hose suspension	150	20373609
8	Hose coupling, incl two sleeves and removable strap	100	20947410
8	Hose coupling, incl two sleeves and removable strap	125	20948710
8	Hose coupling, incl two sleeves and removable strap	150	20948810
8	Hose coupling, incl two sleeves and removable strap	200	20948910
